PROFESSIONAL PROFILE

Systems and application administration professional with experience in identity and access management, Windows environments, Salesforce, database systems, troubleshooting and automation.

CORE SKILLS

Microsoft Entra ID • Windows Server • Identity and access management • RBAC • Salesforce • PowerShell • SQL • Application support • Backup procedures

PROFESSIONAL EXPERIENCE

RAINIER RAPID LLC | Finance Manager | Dec 2025–Present

- Designed and developed an operational management system integrating Access databases, PowerShell imports, KPI calculations, and analytics dashboards for managers and ownership.
- Created Excel VBA dispatch roster automation and subsequently rebuilt it in Microsoft Access, reducing a formerly manual 60–90-minute process to under 3 minutes.
- Directed AI-assisted software development by defining requirements, validating outputs, testing workflows, and troubleshooting production issues.
- Standardized KPI definitions and consolidated reporting previously maintained separately by six managers; reduced personal weekly reporting effort from approximately 20 hours to 2 hours (90%).
- Designed fully burdened labor-cost and route profitability models and a rolling 13-week cash-flow forecast to support staffing and financial decisions.

HEALTH FINANCIAL SYSTEMS | Software Developer | Feb 2010–Feb 2015

- Administered Windows Server accounts, permissions, backups, and related infrastructure; experience with Entra ID identity and access management.
- Modified Salesforce data structures, queries, code, and customer account/permission functionality; supported application administration.
- Developed database-backed authentication and role-based customer access controls for an ASP.NET/C# healthcare financial reporting platform.
- Performed database changes, stored procedure development, testing, troubleshooting, and production support.
- Developed and maintained healthcare financial reporting software using C#, ASP.NET, Delphi, VBA, SQL Server, and MySQL.

NORTHWEST GROWN PRODUCTS LLC | Head Grower | Approx. 2019–Aug 2022

- Supervised approximately five employees; coordinated staffing, production planning, inventory, procedures and quality-control improvements.

VISITING ANGELS | Home Care Aide (Part-Time) | 2022–Present

- Provide individualized client support and coordinate with families and care teams.

EDUCATION & PROFESSIONAL DEVELOPMENT

Skagit Valley College — Associate of Science, Data Analysis and Management (in progress). 90+ college credits completed toward a bachelor's degree in Computer Science; degree not yet awarded.

CompTIA Security+, Network+, A+, and Tech+ — preparation in progress; not yet certified.
